Summary of reasons for decision:

The computer image file printout does not deal with any matters under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor do s3A or s3B of that Act apply. The publication is therefore unrestricted.

The printout shows a naked young woman, who appears to be an older teenager, sitting on a bed. Her genital area is obscured by her position. However, the overall effect is "sexy" rather than sexual: the image does not deal with sexual activity and the nudity shown is not highly sexualised.

An unrestricted classification places no limitation on the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
